Internship Opportunity

Student Uploads their application to 1795 Scholarship Committee. Application includes their scholarly activity, a letter of recommendation, their skills/hobbies, and their desired internship field.

Intern Seeking Business or Organization (ISBO) emails 1795 Scholarship Committee the Intern Request Form.

1795 Scholarship Committee will connect qualified students with great internship opportunities via email. ISBO will confirm the details of the internship with the student and send a copy of the signed internship agreement to the 1795 Scholarship Committee.

The student will report to the designated contact at the Internship Location. All activities will be managed by the ISBO. Priority is given to ISBO's within a 10-15 minute driving range from USC Beaufort Campus.

Upon completion of the internship, both the ISBO and student will complete an Internship Review. The 1795 Scholarship will use the information to continually improve the program and use any great feedback for promotional material.
